Dear Sir:

We are pleased to enclose the Letters Patent as noted above and an information sheet relative to this patent.

The patent issue fee has already been paid and to maintain this patent in force, annual renewal fees must be paid. The next renewal fee must be paid within three years from the date of registration, as given in the attached sheet.

Please check the appropriate box and acknowledge receipt of this letter and the enclosures by signing and returning the duplicate copy of this letter.

Very truly yours,

SUZUYE & SUZUYE

Aya. Matsui

INFORMATION SHEET

Patent No. 4571663 dated August 20, 2010
Application No. 2007-271645 filed October 18, 2007

Patentee(s): POSTECH ACADEMY-INDUSTRY FOUNDATION

Number of claims: 11 claims

Priority: KR 10-2006-0101249 filed October 18, 2006

Duration: 20 years from the date of filing in Japan,
namely until October 18, 2027.

Renewal fees: The renewal fee for the next 4th year must be
paid on or before August 20, 2013,
and the remaining renewal fees must be paid
annually thereafter. Renewal fees in respect
of any subsequent years may be paid in one lump
sum.

Working: The patented invention should be worked in Japan
to an adequate extent within three years from
the date of registration. The working should not
be discontinued for three consecutive years. The
patent will not, however, be canceled or
invalidated due to non-working.

Compulsory
License: When the patented invention has not been
adequately worked in Japan, without due excuse,
for three consecutive years, any person
interested in working the invention may demand
the granting of a royalty-payable, non-exclusive
licenses. Importation into Japan of the patented
article is one aspect of working.
